> > FLORAL BALL.

As usual, floral hall was the crowning glory of the fair to the ladies, and also to those members of the sterner sex who has an eye to appreciate the beautiful. Here was shown the work of the ladies in the garden, the par-SPEED RING.

The speed ring, as usual, attracted the beantiful blooming flowers; in the parlor, artistic design displayed in the needle work and art departments; and in the kitchen, in the manufacture of the palatable preserves, invelier sense than that of sight or touch.

In the needle-work class, there was an excellent dis lay, representing some 394 entries of articles of every conceivable style and first; J. R. McLaughlin's "Buckeye shape, and many which man in his extreme Chief." second; and J hn Mc. Hender- ignorance kens not even the name. There were laces, embroideries, scarfs, fancy dresses, piacushions, and tidies—tidies till it makes one's head ache to name them all quisite arrangement of all these articles ma a most beautiful and pleasing sight. Wh these entries were made by many of the fair sex all over the country, we might mention

> Mrs Frank Magee as large contributors to this class. Miss Kate Kies took first premium for display of needle work. In arts and designs, which includes paint ings, etc., there were only fourteen entries, but they were among the choicest. In another corner of floral hall was the preserves, etc., ranged tier above tier, in

dude oglers-In the novelty class was an elevator creamery, entered by L P Bailey, of Barnesville, which churned the milk from the cows on the

which, with other receipts, swell the total to about the estimate given above.

The music by the Harrisville band was all that could be desired by any crowd of people. It was a big Fair.

The road wagon, going by steam power, at-tracted general attention.

The show of all premium horses and cattle, in the ring, was one of the features of the fair on Friday.

It was a farmers' fair, if we are to judge from the number of people who came in wagones had to be erected to accommodate some of the exhibitors. In pure treds,
